PROFESSIONAL SUMMARY

B.Tech Computer Science Engineering student with a strong foundation in Python, C++, Data Structures & Algorithms, Web Development, DBMS, Machine Learning, and Cyber Security. Passionate about building efficient and user-friendly applications.

Developed projects including a Hostel/PG Recommendation System and Smart Calculator. Eager to contribute technical skills, learn emerging technologies, and solve real-world problems.

TECHNICAL SKILLS

 **Programming Languages**

- Python
- C++
- C
- JavaScript

 **Web Development**

- HTML
- CSS
- JavaScript
- Flask

 **Database**

- MySQL
- MongoDB
- DBMS

 **Core Subjects**

- Data Structures & Algorithms (DSA)
- Machine Learning
- Cyber Security

PROJECTS

1 Hostel/PG Recommendation System Web Project

- Developed a web-based platform to help users find suitable hostels and PG accommodations.
- Implemented search and filtering based on location, budget, amenities, and user preferences.
- Integrated database to store and manage listings, user reviews, and ratings.
- Improved user experience with a responsive and intuitive interface.

Tech Stack: Python, Flask, HTML, CSS, JavaScript, MySQL

2 Smart Calculator Web Project

- Built a Smart Calculator with a modern and responsive UI.
- Supports arithmetic operations and advanced calculations.
- Implemented error handling, keyboard support, and real-time result display.
- Designed a clean and user-friendly interface for better usability.

Tech Stack: HTML, CSS, JavaScript

 github.com/tanyavaidya18/smart-calculator

3 Personal Portfolio Website Personal Project

- Developed a personal portfolio website to showcase skills, projects, certifications, and contact information.
- Fully responsive design for seamless experience across devices.
- Deployed using GitHub Pages.

Tech Stack: HTML, CSS, JavaScript

EDUCATION

B.Tech Computer Science Engineering
Eternal University | Rajgarh, India Expected: Jul 2027
CGPA: 6.02 / CGPA

CERTIFICATIONS

- Nov 2025
No Code Hackathon Certification
Eternal University | Rajgarh, India
- Aug 2023
Unmasking The Secrets of Ethical Hacking : Cyber Security
Eternal University | Rajgarh, India

LANGUAGES

- English
- Hindi

ADDITIONAL INFORMATION

Quick learner with strong analytical, problem-solving, and communication skills. Passionate about software development and emerging technologies, with a keen interest in continuous learning and building innovative solutions through practical projects.
